## **Sterling Bancorp Declares Cash Dividend of \$0.19 per Share**

### ***Reaches Milestone of 250 Consecutive Quarters of Dividend Payments***

New York, N.Y., May 1, 2008 – Sterling Bancorp (NYSE: STL), a financial holding company and the parent company of Sterling National Bank, today announced that the Company's Board of Directors has declared a cash dividend of \$0.19 per common share, payable on June 30, 2008 to shareholders of record as of June 15, 2008. The Company has been distributing cash dividends for 250 consecutive quarters over more than 62 years.

“Sterling's dividend policy, which has now extended for more than six decades, reflects our Board of Directors' long-term commitment to enhancing shareholder value,” stated Louis J. Cappelli, Chairman and Chief Executive Officer. “At a time when many institutions have had to suspend or reduce their dividends, the continuation of our dividend track record is a demonstration of the strength of our Company and our ability to deliver solid performance across a wide range of business cycles.”

### **About Sterling Bancorp**

Sterling Bancorp (NYSE: STL) is a New York-based banking and financial services company that serves the needs of businesses, professionals and individuals. With assets exceeding \$2.1 billion, Sterling offers a broad array of products and services, combined with a unique high-touch approach to customer service. The Company's principal banking subsidiary, Sterling National Bank, with offices in New York City and Queens, Nassau and Westchester counties, was founded in 1929.

Known for its focus on business customers, Sterling offers such services as working capital lines, asset-based financing, factoring and accounts receivable management, payroll funding and processing, equipment leasing and financing, commercial and residential mortgages, international trade financing, cash management, a wide array of deposit products, trust and estate administration, and investment management services.
