### **STERLING BANCORP DECLARES CASH DIVIDEND OF \$0.09 PER SHARE**

New York, N.Y., February 18, 2010 – Sterling Bancorp (NYSE: STL), the parent company of New York City-based Sterling National Bank, today announced that the Company's Board of Directors has declared a cash dividend of \$0.09 per common share, payable on March 31, 2010 to shareholders of record as of March 15, 2010. This declaration extends the Company's history of continuous cash dividends to 257 consecutive quarters over 64 years.

#### **About Sterling Bancorp**

Sterling Bancorp (NYSE: STL) is a New York-based banking and financial services company with assets of more than \$2.1 billion. Established in 1929, the Company's principal banking subsidiary, Sterling National Bank, has successfully served the needs of businesses, professionals and individuals in the NY metropolitan area and beyond. Now in its 80th year, Sterling is well known for its focus on business customers, an extensive and diverse product portfolio and a high-touch, hands-on approach to customer service.

Sterling offers working capital lines, asset-based financing, factoring, accounts receivable financing and management, payroll funding and processing, equipment leasing and financing, commercial and residential mortgages, import trade financing, a wide array of depository products and cash management services, trust and estate administration and custodial account services.

*Certain statements in this press release, including but not limited to, statements as to future liquidity, future interest rate risk and operating expenses, statements concerning future results of operations, financial position or dividends, plans and objectives for future operations, and other statements regarding matters that are not historical facts, are "forward-looking statements" as defined in the Securities Exchange Act of 1934. These statements are not historical facts but instead are subject to numerous assumptions, risks and uncertainties, and represent only the Company's belief regarding future events, many of which, by their nature, are inherently uncertain and outside its control. Any forward-looking statements the Company may make speak only as of the date on which such statements are made. The Company's actual results and financial position may differ materially from the anticipated results and financial condition indicated in or implied by these forward-looking statements, and the Company makes no commitment to update or revise forward-looking statements to reflect new information or subsequent events or changes in expectations. For a discussion of some of the risks and important factors that could affect the Company's future results and financial condition, see "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations – Forward-Looking Statements and Factors that Could Affect Future Results" in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2008 and "Cautionary Statement Regarding Forward-Looking Statements" in the Company's Quarterly Report on form 10-Q for the quarter ended September 30, 2009.*
